

Simplicity

FLEXIBLE. RELIABLE. SIMPLE

COMPLETE CARE PLAN

ENTERPRISE LEVEL SUPPORT WITHOUT THE EXTRA COST

Reduce business downtime and stress. The Simplicity Complete Care Plan gives your business all the bells and whistles that big corporations use to keep their networks running smoothly, without the corporate level IT budget.

A PLAN WITH EVERYTHING

Instant High Level Support

Enjoy only Level 2 & 3 support from experienced techs right here in Arizona.

No more Level 1 or overseas techs. Get instant support online, by phone or in person

Full Network & Computer Monitoring*

Server + workstation monitoring
Switch + router monitoring
Printer monitoring
Factory + third-party hardware list
Installed software and version list

No more worry about whether your technology is covered. We take the 2am calls for you.

Automatic Remote Backup

Receive encrypted and regulation-compliant remote backup for each location.

No more hardware to buy, tapes to replace, devices to carry offsite. It's all done automatically.

Easy Desktop & Server Inventory

Documented machines and servers by type and manufacturer.

No more guesswork when you have the information available.

Fast Software Support

Get updates and patches in real time with a recorded history of your software.

No more waiting, Remote Desktop allows us to fix your machine immediately.

Let Simplicity be your technology partner.
